

## **Solutions That Make Sense**

Financial loss from liability risks can be devastating. With E-Risk Services, obtaining financial security from liability risks is easy. We have the products and underwriting experience to provide complete financial business solutions.

- **Business And Management (BAM) Indemnity Insurance.**

E-Risk's BAM product is a flexible package offering Employment Practices liability, Directors and Officers liability (with full entity coverage), Fiduciary liability and Crime coverage. Any miscellaneous professional services of the coverages can be chosen and separate limits of liability for each coverage are automatically provided.

- **Directors & Officers And Company Insurance.**

E-Risk's stand alone Directors and Officers liability coverage has the flexibility to insure the personal assets of the directors and officers as well as corporate assets in the face of claims involving shareholders, mergers and acquisitions, financial restructurings and other liability exposures.

- **Other Financial Products Insurance.**

Our other liability coverages include General Partners and Partnership Insurance, Managers/Members and Limited Liability Company Insurance, and oil insurances.
